“ David and Elinor: I am so sorry about the loss of Bro. Dore. He meant so much to our family----in fact he and Elinor visited her on the morning of her death and she knew them. Then he preached mom's funeral later. We have been friends for many, many years. May God comfort you in your loss. Out of an abundance of caution, I will not attend the funeral.

“ I worked as the ministry assistant at Carey Baptist Association for 20 years. Bro. Dore was always one of my favorite people to see and visit with. He always had a ready smile and a big hug! My heart aches for our earthly loss; but, oh, is heaven receiving a treasure! He was one of the very best!!!! And he will be missed by so many lives that he touched and impacted. I offer my sincerest condolences to his precious wife and the rest of his family.

“ We bid our earthly goodbyes to Bro. Dore Langley who has been in my life for many, many years. Elinor and David, we are praying for you. So many good memories of Dore but the best one was that Elinor and Dore were able to visit my mom on the day of her death and she knew them. We will all meet again.

“ Elinor, David, and Amber: My heart is heavy. A dear friend has gone to be with the Lord. So many fond memories, but especially the visits he made to my mom at the Living Center. Her last visitors that she recognized were Dore and Elinor. Thanks for the memories. May God comfort you with the knowledge that he is with the Lord--- no more pain, but joy unspeakable.
