“ I was blessed to have been one me of Steven’s teachers. He always had a smile for me-even when he didn’t like what we were doing in class. You will be sorely missed sweet man.

“ Steven was a very good hearted person.He loved his mom and sister very much and would've done anything for them. I remember when I first met Steven he was 2 years old and loved the outdoors and loved being able to get on the bus to go to school. Steven you will be missed.

“ Oh Steven! We were so close at many times! I literally grew up with you through out my life. We literally would spend every day together for a good two years come and go. And then some time we were not so close. You were and are a wonderful person! Silly and crazy always made me laugh and said stupid things that I wish I could have been there for you more! I know that u are resting in a better place. And come Thursday u will have so many people who are loved by by your side!

“ I remember when Steven, Tiff, and Skyye lived next door. He was always here with my boys playing video games. He was always so polite and well mannered. I found this picture of him and my Mark and wanted to share it. My heart goes out to his family. May you soon find moments, if fleeting, of peace.

“ I think that everyone will agree that Steven was a WONDERFUL young man. I will miss our chance encounters around town and our time spent catching up. I was always so proud of him and even more so when he let me know that he wanted to serve our country as a member of the military. Steven had a smile every time I saw him and had the brightest personality. I will miss him greatly.

Rest In Peace Young Man.

Love Always,
Coach Rogers
